HALO
Animal Rescue

DONATE

VOLUNTEER

Dear Britt,

A little while ago, I asked you to consider becoming a foster. If you've already signed-up, thank you! If you've been thinking about it, **now is the time to let us know.**

Email us at foster@halorescue.org
or call 602-506-2239.

Bucky was barely able to eat on her own when she came to HALO. She was a tiny kitten, but the shelter was already so full that we didn't have space for her! So we turned to our foster network. Bucky's foster gave her a safe place to stay and made sure she grew and stayed healthy until she could be fixed and adopted. Her foster saved her life. *You can help us save even more pets like Bucky.*

Who needs fostering:

- Orphaned kittens and puppies eating wet food
- Orphaned kittens and puppies who need bottle feeding
- Mom dogs and cats with nursing litters
- Adult dogs and cats who need a break from the shelter

Just 2-4 weeks in your home can mean a lifetime of difference for a homeless pet who is too young, scared, or ill to be ready for adoption. And you will never forget the happiness you feel when your foster finds their forever home. **Become a foster by emailing foster@halorescue.org or calling 602-506-2239.**

Thank you for your support,

Heather Allen
President and CEO

P.S. Even if you can't start fostering right away email our foster department! We can get all the administrative steps out of the way, so you can jump right in when you are ready.
