Help Open HALO's Forever Home

A permanent Glendale campus, 32 years in the making, is now within reach.

For 32 years, HALO Animal Rescue has been a place of safety for animals who needed someone to say yes. Frightened dogs, injured cats, abandoned pets, and animals with nowhere else to go have found care, comfort, and a second chance because this community believed in them.

Now, HALO is stepping into one of the most important moments in our history.

After decades of operating from leased space, HALO has purchased an existing property in Glendale that will become our permanent home. This new campus gives us the opportunity to create the kind of rescue environment our animals have always deserved, with improved housing, upgraded care spaces, outdoor play yards, dedicated medical areas, and welcoming places for adopters, volunteers, donors, and community members to connect.

The property is ours. Now we need to make it ready for the animals.

Our goal is \$3.2 million.

Your gift will help fund the repairs, renovations, HVAC upgrades, kennel improvements, play

yards, and animal care spaces needed to open this campus and prepare it for decades of lifesaving work. And the timing matters. Our current lease ends October 31, which means we must move quickly to transform this property into a safe, comfortable, and enriching home for the dogs and cats counting on HALO.

Your regular support continues to feed, shelter, and medically care for animals today. **Your best gift now will help build the future they deserve.**

Naming opportunities begin at \$1,500.

You can make your mark on HALO's new home by naming a space in honor of your family, business, loved one, or beloved pet. From individual kennels to major campus spaces, each naming opportunity helps create a better daily experience for animals waiting for adoption.

To explore naming opportunities, make a campaign gift of any size, or schedule a tour, please visit: halorescue.org/fureverhome or contact halosupporter@halorescue.org to find the opportunity that is right for you.

Letter from the President

After 32 years, it's hard to put into words what this moment means for HALO and the animals we serve. What started as a dream to help homeless pets has grown into a life-saving organization because of the incredible compassion and support of this community.

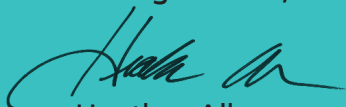

As we prepare for this next chapter, I simply want to say thank you. Thank you for believing in our mission, for standing beside us through the years, and for helping us continue giving animals the second chances they deserve.

This new campus represents hope for thousands of animals yet to come, but we cannot do it alone. I hope you will consider making a special gift to help us prepare our forever home and create a safe, enriching environment for the pets who need us most.

You Changed Daisy's World

Little Miss Daisy came to HALO at 9 years old after spending her entire life devoted to her elderly owner. When her owner had to move into assisted living, Daisy's protective nature made it impossible for her to stay.

When Daisy arrived at HALO, she was shut down, fearful, and clearly uncomfortable being touched. We soon discovered she was also living with severe dental pain from infected teeth.

With patience, understanding, and medical care, Daisy slowly began to trust again. After having her painful teeth removed and spending time recovering in foster care, she finally found the perfect family that understands and loves her exactly as she is.

Thank you for helping HALO be a safety net for both pets and the people who love them during life's hardest moments.

Supporting HALO - Now and for the Future

Right now, our resources are stretched thin, and homeless animals are counting on angels like you. The things we could do a year or two ago are double or triple the cost now. There are many ways to give that can help the animals today and in the future, while not depleting your cash on hand.

- Donor Advised Funds (DAF)
- Stocks or Other Securities
- Smart Giving Through Your IRA
- Vehicle Donation
- Friends Forever Planning for Your Pet
- Planned Giving
